

TAFLO

WP SERIES

PETROL ENGINE PUMPS

WP20/30/40

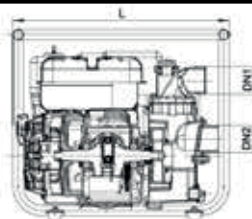

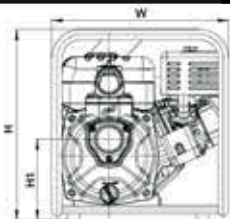

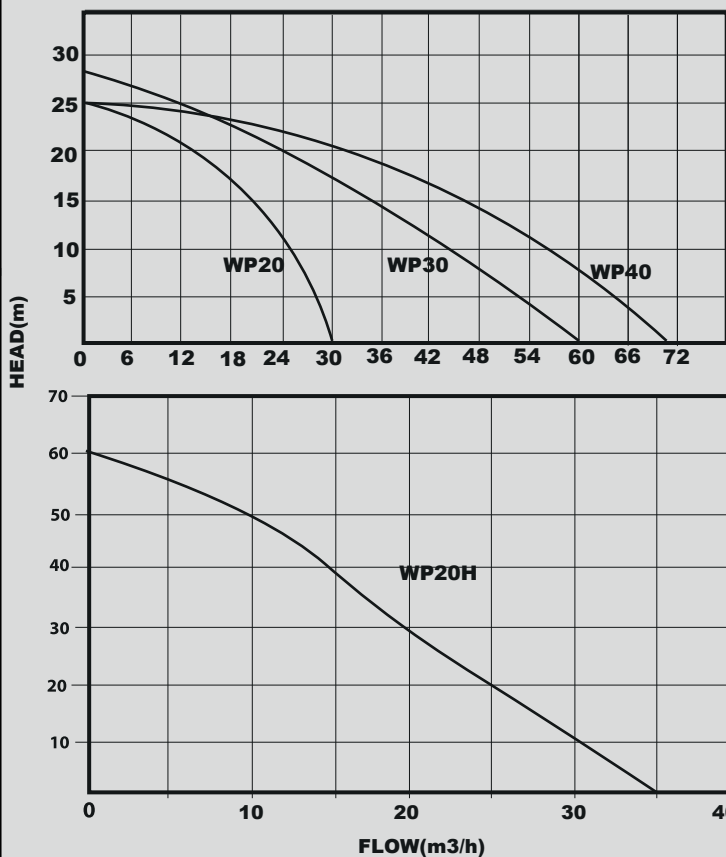

WP20H-2

APPLICATION

TAFLO WP range of Engine pumps are superior quality self priming petrol engine driven pumps designed for water transfer, irrigation and fire fighting. They are fitted with a frame which makes them sturdy and robust and the engines are designed for long hours of operation. Pump housing and impeller are made of high quality Alluminium for corrosion resistance
